Enviro-Save Products Expands Overseas

POINT ROBERTS, WA - As part of a worldwide expansion effort, Enviro Save Products announced the opening of offices across North America and Nigeria, with future offices in China, Singapore and Europe. Our strategic plans include opening up to 17 dealer offices around the world.

Enviro-Save® is a "One-Time" metal treatment product that significantly reduces operating costs by improving fuel mileage merely by reducing friction, decreasing your maintenance time and extending the life of any machinery because of reduced wear.

Enviro-Save Products have been manufactured for over 12 years, and is EPA and SAE Lab Certified with service proven results with over 450,000 applications worldwide. Clients include: NJ Transit, Corpus Christi Transit, Pittsburgh Transit, Long Beach Transit, and Curitiba Brazil Transit.
