Qual-Tran Products Targets the Northeast US Markets

POINT ROBERTS, WA - Enviro Save® Products, a division of Tran Cert Marketing, Inc., welcomes the addition of Qual-Tran Products to the Dealer Network Team. Qual-Tran Products will handle the Enviro-Save Products sales force for the Northeast USA region.

Brad Levin, President of Qual-Tran Products, has extensive sales experience, especially (8) eight years in selling analytical engine emission testing equipment.

Additionally, Mr. Levin holds a bachelors degree from Shippensburg University and graduate studies from Temple University with an emphasis in Chemistry.

Qual-Tran Products team will market the Enviro Save Product line from Virginia to Maine, west to Indiana. Qual-Tran Products is based in Lansdale, PA.

Enviro Save Products, which are TFE Resin based, produce reduced friction, improved performance, improved fuel mileage and reduced emissions in all types of vehicles, trucks, buses, trains, aircraft with only “one-time” application. With over 450,000 applications worldwide and thousands of testimonials to prove the performance, Enviro Save Products will change the way we maintain our fleets.

Qual-Tran Products can be reached by email at qualtran2003@yahoo.com or by telephone at (215) 699-9102.
